

HIDDEN ACRES HOMEOWNERS' ASSOCIATION

Outside House Paint Color Chart

Homes with Natural Wooden Vegas at the front of a home.

Natural Wood Vegas should not be painted the same color as a house but kept their natural color. The wood craking on a Vega is natural and should not affect the strength of look of a Vega. Contact a local paint dealer or home improvement center for the selection of a wood primer or preservative to apply to a Vega.

DUNN EDWARDS PAINT	Color Number	Color Name	Light Reflection Value
