Representatives

Map of Congressional Districts

Representatives

The United States is divided into 435 congressional districts, each with a population of about 710,000 individuals. Each district elects a representative to the House of Representatives for a two-year term. Representatives are also called congressmen/congresswomen. Americans in the United States's six territories are represented in the House of Representatives by an additional six non-voting delegates.

Find your representative by entering your address:
